

Network Map

The Network Map window is currently blank. Two mouse cursors are visible: one pointing towards the top-left corner and another pointing towards the top-right corner, indicating the user is about to place a junction.

Junctions

- 2

The Browser window is open to the 'Map' tab. It shows a list of junctions under the heading 'Junctions'. The junction with ID '2' is selected and highlighted in blue. At the bottom of the window, there are three small icons: a junction symbol, a delete 'X' icon, and a data table icon.
